WMWI Geology Day, Jan. 7

Above: On Jan. 7, the Western Museum of Mining & Industry held its annual Geology Day. Visitors panned for gold, saw demonstrations of gold-processing techniques by the Gold Prospectors of Colorado, learned about fossils and geologic processes from the Colorado Springs Mineralogical Society and staff from Florissant Fossil Beds, and saw demonstrations of historic and modern-day assaying processes. A member of the Gold Prospectors of Colorado is pictured searching for gold in his pan as the last stage demonstrating a gold separation technique using a "high banker" and other equipment. The gold assayed from this material yielded over 20 ounces per ton, while typical ore deposits yield closer to 3 ounces per ton. Information on upcoming museum events, like the Writers Workshop and Science Day, can be found at www.wmmi.org. Photo by David Fuley

Why advertise in OCN?

- OCN is mailed FREE to every resident and business in the Tri-Lakes area. We mail more than 16,900 copies every month and put another 700 copies in stacks throughout the area. OCN has the largest mailed circulation and the third-largest circulation among local newspapers in El Paso County after The Gazette and The Colorado Springs Independent. We put copies of OCN into the hands of those people most likely to buy your products or services: local residents and businesses.

- OCN is a primary source for Tri-Lakes area news. Since 2001, OCN has been presenting unbiased, detailed coverage of Tri-Lakes area governmental entities and their deliberations and actions. Credibility is key during tough times. Advertising in a credible medium typically rubs off on the advertisers in that media.

- OCN gives preference to Tri-Lakes area businesses. As part of OCN's long-standing commitment to encouraging the economic health of the Tri-Lakes area, we offer a significantly discounted ad rate to local businesses as a way to help local businesses like yours succeed.

- OCN's low ad rates and monthly publication schedule help stretch your ad budget. OCN has one of the lowest ad costs per printed copy of any local publication. Since OCN is a monthly publication, your ad is out there for a month—more than four times longer than other local papers. Many of our advertisers tell us they're still getting calls in the third and fourth week of the month.

- OCN doesn't use contracts. You aren't tied down. Adjust your advertising month-to-month to meet your changing needs. Our advertisers advertise with us because they see benefit in it, not because they're bound by a contract they signed months before. To reward frequent advertisers, OCN has a Frequent Advertiser Bonus (FAB) rewards program. You earn up to 10% of your ad cost as a reward you can use to reduce the cost of future OCN advertising. The more you advertise with OCN, the more you save. Thanks to our FAB rewards program, OCN advertisers have saved more than $49,100!

- You are supporting a good thing. Your advertising dollars support a unique all-volunteer, Tri-Lakes-focused effort to present factual, comprehensive news to all Tri-Lakes area residents.

And the best reason of all: It works!

Wal-Mart donation to TLC

Above: Tri-Lakes Cares (TLC) recently received a $25,000 grant from the Walmart Foundation's State Giving Program to support the organization's mission of improving people's lives through emergency, self-sufficiency, and relief programs. “Tri-Lakes Cares is so grateful for the continued support of the Walmart Foundation's State Giving Program,” said Haley Chapin, TLC executive director. “These funds will be incredibly instrumental in allowing us to serve folks struggling to make ends meet. We are the only comprehensive community resource in this part of the county, so the programs and services we offer are critical to our clients.” The grant was presented to TLC during a check presentation ceremony Jan. 23 at its offices.
