Tri-Lakes Monument Fire Protection District. Rid- ings said that the Wescott district, the portion of Wescott that remains upon completion of the city’s annexation, is on track with an estimated 700 calls per year.

Burns reported that the district supported back- to-back deployments. The first crew supported a fed- eral deployment in Wyoming, which was completed. Soon after, a second crew was deployed to Oregon on a brush truck to conduct initial attack work. Burns speculated that the Oregon crew would be deployed for a minimum of two weeks. Ridings added that, de- pending on the deployment location’s cell service, people can follow the crew’s progress on Facebook.

The board adjourned at 7:23 p.m.

Correction

The photo on the right from the July 15 NEPCO meeting shows the presentation of a certificate of membership to Wescott Fire Protection Chief Vinny Burns (right). It ran on the front page of our August 5 issue. Unfortunately, the caption misrepresented the man on the left. He is Larry Oliver, President of NEPCO. OCN regrets the error. Photo by Jim Kendrick.

By Helen Walklett

The Tri-Lakes Monument Fire Protection District (TLMFPD) board celebrated several promotions and new hires, along with a grant award, on Aug. 23.

Secretary Mike Smaldino and Directors Terri Hayes and Tom Tharnish were absent, as was Fire Chief Chris Truty, who is on medical leave.

Grant money awarded

Battalion Chief of Administration/Fire Marshal Jamey Bumgarner said Lt. Mo Ayala had applied for and earned a $25,596 grant for TLMFPD from Firehouse Subs’ Public Safety Foundation quarterly grant pro- gram. The money will be used to purchase 10 full sets of personal protective equipment.

Promotions and new hires

Deputy Chief Randy Truty swore in three staff mem- bers who were promoted to driver/operational benefi- ciaries and to help Littleton honor them. Due to security concerns, the Monument Police Department is not releasing personal information.

Security concerns

Truty said that security at the station was complete at all three stations, including Station 3 on Woodmoor Drive. Due to security concerns, the Monument Police Department (MPD) is also responding to any police calls to the Ramada Inn on Woodmoor Drive unless TLMFPD notifies them otherwise, Truty said.

President Jake Shirk, who is also the Monument police chief, said that MPD has been talking with the Ramada Inn to address security concerns.

New hires, promotions announced

The resulting three lots will be 29.25 acres, 5.04 acres, and 4.88 acres in size. Administrative approval had been granted earlier for one lot to be less than the 5 acres normally required within an RR-5 zoning dis- trict. This was necessary to allow for the dedication of personal protective equipment.

The letters were presented to Lt. Curt Leonhardt, who is the Tri-Lakes Monument Fire Protection District Training Coordinator;

corrected names are:

- Jonathan Bradley, TLMFPD’s new training of- ficer, will officially start after Labor Day, but he has already done meet-and-greets with all three stations to open the dialogue with the staff.

Open house dates announced

Bumgarner said that TLMFPD planned to conduct two Community Open Houses where residents could visit a local fire station and meet the crew. Free car seat checks, hotdogs, and lemonade will be provided from 11 a.m. to 2 p.m. on two dates: Sept. 9 at Station 1, 18650 Highway 105, and Sept. 16 at Station 3, 1855 Woodmoor Drive.

Bumgarner said that TLMFPD would be experi- menting more with social media notifications includ- ing Facebook and NextDoor.com and that Fire Chief Truty would be hosting more “coffee with the com- munity” events.

Note: Residents are also always invited to attend TLMFPD’s board meetings, which usually are held on the fourth Wednesday of the month. Public comments are welcome at the beginning of each meeting.

Financial report

Treasurer Tom Bumgarner said as of July 31, dis- trict revenue was on track, although ambulance services contracts and supplies, medical equipment, uniforms, and training. Overall revenue was exactly budgetary, but the budget is out by overall expenses being under budget.

The meeting adjourned at 7:17 p.m.
