Monument Board of Trustees, Nov. 2

Monument Heights rezoning continued, three other land use items approved

By Lisa Hatfield
At the Nov. 2 Monument Board of Trustees meeting, the trustees discussed the proposed rezoning of Monument Heights from commercial to residential use. Then they declared that the time for public comment was closed, but that the trustees’ vote would not be taken until the Nov. 16 meeting to give them time to consider the 90 minutes of testimony that had already been presented.

Three other land use topics were approved:

1. Final PD Site Plan for Jackson Creek Market Village 3A for a potential restaurant, dental office, and another tenant.
2. Final Plat and Final PD Site Plan for Lot 1 of Jackson Creek Self-Storage Filing I.
3. Final Plat and Final PD Site Plan for Creekside Commercial North Lots 1-3, where a Tractor Supply Co. store is planned.

The Monument Planning Commission had heard testimony, considered, and approved all these issues on Oct 14. See www.ocn.me/v15n11.htm#mpc1014.
